If the Trustee does not have your Tax File Number (TFN), we cannot accept after-tax contributions for you. We may also be required to deduct additional tax from before-tax contributions made to your account. If you need to provide the Trustee with your TFN in order to make an after-tax contribution using this form, this can be done by completing the *Provide your Tax File Number* form that can be downloaded from the website ([go to Publications & Forms](#) and click on the drop down menu for Forms), or you can call SuperPhone on **1300 360 373** to provide your TFN over the phone.

Contribution rules

By law, you can only make contributions to your Employee Member Savings Account if you are either:

- under age 67; or
- between age 67 and 74 (inclusive) and meet the ‘work test’ or are eligible to make contributions within 12 months from the end of the financial year in which you met the work test (see your Product Disclosure Statement or call **1300 360 373** for details).

You can only make after-tax contributions if your TFN has been provided to the Trustee.

In addition, the APSS will only accept lump sum contributions to your APSS Member Savings account if your contribution is a personal contribution. It cannot be from another employer or third party. If you are an Australia Post employee and want to arrange for regular before-tax salary sacrifice contributions, you need to organise this through ourpost.com.au – contact Australia Post HR Operations on **1300 363 772** for help. If you are employed by an Associated Employer, you need to contact your payroll or HR area.
