- (c) If, after reasonable enquiry, the Trustee determines that there are no Dependants or legal personal representative, or no Dependants or legal personal representative of the Member whose existence or whereabouts are known to the Trustee, any benefit payable to or in respect of the Dependants or legal personal representative of the Member shall cease to be payable and shall be retained in the Scheme for the general purposes of the Scheme **PROVIDED THAT** if at any time the Trustee receives a claim from a person whom the Trustee accepts as a Dependant or the legal personal representative of the Member, the Trustee may in its absolute discretion reinstate and pay all or part of the benefit which would otherwise have been payable in respect of the Member but for the operation of this sub-clause.

11.8 Beneficiary under legal disability

- (a) If it appears to the Trustee that a Beneficiary is under any legal disability or is unable for any reason whatsoever to satisfactorily deal with an amount otherwise payable to the Beneficiary from the Fund, the Trustee may pay or apply the whole or part of any benefit payable to the Beneficiary in such one or more of the following ways as the Trustee may think fit, namely:
 - (i) to any Dependant of the Beneficiary;

- (ii) for or towards the maintenance, education, advancement or otherwise howsoever for the benefit of the Beneficiary or of any Dependant of the Beneficiary in such form and manner and subject to such terms and conditions as the Trustee may think fit; and

- (b) Where the Trustee is of the opinion that had the Trustee entered into an insurance arrangement under paragraph (a) hereof that the Insurer under such arrangement would have declined cover or reduced the amount otherwise payable to or in respect of a Member, then notwithstanding anything expressed or implied to the contrary in this Deed or the Rules, the Trustee shall reduce the amount of the benefit otherwise payable to or in respect of the Member by the amount which the Trustee believes the Insurer would have declined or refused unless the Employer enters into an agreement acceptable to the Trustee to reimburse the Fund for the cost of providing the benefit over and above the reduced benefit which would have otherwise been provided to or in respect of the Member. In forming an opinion under this paragraph the Trustee shall be entitled but not obliged to rely on a certificate from a proper officer of an insurance company selected by the Trustee as to whether or not an Insurer would have declined or reduced cover in the relevant circumstances.

- (c) Without limiting the generality of clause 11.9(a) and notwithstanding any other provision of this Deed or the Rules, where the Trustee has entered into (or sought to enter into) an insurance arrangement to provide some or all of the benefit payable from the Fund to or in respect of a Member who has benefits provided under Rule 8 or Rule 10 and in respect of benefits payable to that Member under Rule 12 (but only to the extent those benefits relate to their status as Members under Rule 8 or Rule 10):

- (b) The Trustee shall also have power in a similar manner to determine an interim rate in respect of any period prior to the determination of the actual earning rate for that period.
- (c) Notwithstanding paragraph (a), where the assets of the Fund are invested in Sub-funds as referred to in Clause 8.4, the Trustee may, after obtaining the advice of the Actuary determine a separate rate in respect of any such Sub-fund and may credit that rate in lieu of the rate referred to in paragraph (a) where interest is required to be credited pursuant to the provisions of this Deed either generally or in respect of any particular provision as the Trustee may think fit and the Trustee shall also have power in a similar manner to determine an interim rate in respect of such a Sub-fund in respect of any period prior to the determination of the actual earning rate for the Sub-fund for that period, **PROVIDED THAT** the Corporation may from time to time give to the Trustee written notice stating that, on and from the date specified for the purpose in that notice, the Trustee shall not without the approval of the Corporation determine a separate rate in respect of a Sub-fund in accordance with this paragraph, and such a notice shall remain in effect until it is revoked by a further written notice given by the Corporation to the Trustee.
- (d) The Trustee shall comply with the relevant requirements of Superannuation Law in determining any rate or rates of interest for the purposes of the Scheme;
- (e) For the avoidance of doubt, amounts in respect of interest determined in respect of a period may be negative and the Trustee shall have power to debit amounts by applying a negative rate.

11.11 Discharge of Trustee

The receipt of a Beneficiary, legal personal representative or any person acting on behalf of a Beneficiary shall be a complete discharge to the Trustee in respect of the amount paid to that person and the Trustee shall not be bound to see to the application thereof.

11.12 Application of unpaid benefits

Without prejudice to the foregoing, if a Beneficiary dies before the whole of a benefit which is payable to that Beneficiary has been paid, the amount of the unpaid benefit shall be paid or applied in accordance with sub-clause 11.6 as if the Beneficiary were a Member at the time of his or her death.

11.13 Benefits strictly personal

- (a) No interest under the Scheme or benefit payable out of the Fund shall be assignable at law or in equity either in whole or in part.
- (b) Except as otherwise expressly provided in this Deed or the Rules,
 - (i) if any Member or Beneficiary shall do or cause or suffer to be done any act or thing; or
 - (ii) if some event shall happen

whereby all or any part of the Member's or Beneficiary's interest in the Fund or a benefit to which the Member or Beneficiary may be or become entitled would whether by the Member's or Beneficiary's own act or by operation of the law or otherwise become payable to or vested in any other person or persons then, notwithstanding anything expressed or implied to the contrary in this Deed or the Rules, such interest or the right to such benefit shall determine and neither the Member nor Beneficiary nor any person claiming under or in respect thereof shall have any further claim or right in respect of that interest or benefit **PROVIDED THAT** notwithstanding the generality of the foregoing this paragraph shall not apply to any interest or benefit to which the Member or Beneficiary (or any person claiming under, or in respect of, him or her) is absolutely entitled or (in the case of a Member or Beneficiary who becomes bankrupt, commits an act of bankruptcy or executes a deed of assignment or a deed of arrangement under the Bankruptcy Act 1966) to the beneficial interest (within the meaning of the Bankruptcy Act 1966) of the relevant person.

- (c) In the event of the determination of an interest or a right to a benefit under paragraph (b), the Trustee may (but it shall not be incumbent on the Trustee so to do) pay or apply as the Trustee may think fit for the benefit of the Member or Beneficiary concerned or his or her Dependants (to the exclusion of any one or more of them as the Trustee may determine) any sum or sums not exceeding altogether the amount which would have been payable to or in respect of that Member or Beneficiary if such determination had not occurred.

11.14 Debts or defalcation

The Trustee may deduct from a Member's or Beneficiary's interest in the Fund or from any moneys which but for this sub-clause 11.14 would be payable to or for the benefit of the Member or Beneficiary or any person claiming through or under a deceased Member or Beneficiary, and may retain in the Fund, any amount which the Trustee may determine is owing to the Trustee or the Fund by that Member or Beneficiary either solely or in conjunction with any other person on any account whatever, including without limitation:

- (a) any amount which the Trustee may consider necessary to reimburse or compensate the Trustee or the Fund in respect of any loss or damage suffered thereby as a result of the fraud or other dishonesty of the Member or Beneficiary; and
- (b) interest at such rate and in respect of such period as the Trustee may consider appropriate

PROVIDED THAT no such deduction shall be made if in the opinion of the Trustee so to do will or may prejudice the taxation concessions granted or made available to the Scheme or cause the Scheme to breach or fail to comply with any relevant requirement of Superannuation Law.

11.15 Augmentation of benefits

The Employer may, with the prior consent of the Corporation, from time to time direct the Trustee to increase by such amount or in such manner as the Employer shall specify all or any of the benefits which are or may become payable in respect of a Member **PROVIDED THAT**:

- (a) the Employer agrees to meet the cost to the Scheme of any such direction (after taking account of any provision of this Deed which requires or permits the Trustee to adjust or reduce benefits as a result of any surcharge, tax, charge or import (however described) levied against the Trustee or the Fund in respect of such increase) as determined by the Trustee (having regard to the advice of the Actuary) in accordance with arrangements or undertakings suitable to the Trustee or as the Employer and Trustee otherwise agree;
- (b) the Trustee may refuse to proceed with the provision of all or part of any such increase in respect of any Member if or to the extent that any arrangement or undertaking required by the Trustee under paragraph (a) of this proviso in respect of that increase is not given or made (as the case may be), or having been given or made is not fulfilled or complied with to the satisfaction of the Trustee; and
- (c) the Trustee is satisfied that the provision of the increased benefits will not prejudice the taxation concessions available in respect of the Scheme or cause the Scheme, this Deed or the Trustee to be in breach of, or to fail to comply with or satisfy, Superannuation Law.

11.16 Taxation and surcharge referable to Members and Beneficiaries

- (a) Where applicable, the Trustee shall unless otherwise requested by the Corporation, notwithstanding any provision of this Deed, but subject to Superannuation Law, reduce the benefits (including without limitation any pension benefits) payable from

the Fund to or in respect of a Member or a Beneficiary to take account of any surcharge, tax, charge or impost (however described) and any advance instalment and associated amount which have been or in the opinion of the Trustee may be assessed against the Fund in respect of a Member or Beneficiary, or in connection with a contribution made or deemed to be made in respect of a Member or a Beneficiary, from time to time and any amount which is paid or applied to or in respect of the Member in relation to a tax liability assessed against or incurred by the Member arising out of or in connection with contributions made to the Fund in respect of that Member and/or his or her membership of the Scheme, and in respect of which no adjustment has been made under other provision of this Deed. Where applicable, such reduction shall be made in accordance with paragraph (b) of this sub-clause.

- (b) Where this sub-clause applies, unless the Trustee and the Corporation otherwise agree in any particular case or cases, the Trustee may:
- (i) deduct the amount of the surcharge, tax, charge or impost (however described) and any advance instalment and associated amount which has been assessed against the Fund or otherwise been paid or applied in respect of the Member or Beneficiary from the appropriate account in the Fund into which the employer financed benefits have been credited; or
 - (ii) reduce the benefit payable to or in respect of the Member or Beneficiary by the amount recorded as the debit balance of the notional account maintained in respect of the Member or Beneficiary under paragraph (c) of this sub-clause at the time the benefit becomes payable for or in respect of the Member or Beneficiary,

PROVIDED THAT:

- (A) no reduction shall be made to benefits which have, in the opinion of the Actuary, accrued in respect of a Member or a Beneficiary up to the date of execution of Deed of Modification No 4 relating to the Scheme; and
 - (B) where a benefit is payable under Rule 4.4 to, or in respect of, any person who is a Member on 1 July 2000 that benefit shall not be less than the benefit which would have been payable as at 30 June 2000 under Rule 4.4 as in force at that date by reason of the application of this Rule 11.16(b).
- (c) The Trustee shall maintain a notional account in respect of each Member and Beneficiary to which this sub-clause applies and shall debit such account with:
- (i) the amount of any surcharge, tax, charge or impost (however described) and any advance instalment and associated amount which in the opinion of the Trustee has been assessed against the Fund in respect of the Member or Beneficiary; and
 - (ii) an amount by way of interest on the debit balance of the amount (including any amount to be debited under this paragraph) calculated as at 30 June in each year or whenever the benefit is to be paid to or in respect of the Member or Beneficiary:

- (A) in the case of a tax known as the surcharge contribution tax at the Treasury Bond rate on the relevant day for bonds with a term of 10 years or such other rate determined by the Trustee having regard to the practice or schemes conducted by the Commonwealth of Australia; and
- (B) in the case of any other tax, charge or impost (howsoever described) at a rate (that may be positive or negative and may differ having regard to the nature of the tax, charge or impost) determined from time to time by the Trustee as the Trustee thinks fit.

and shall credit such account with any adjustment, credit or refund of any surcharge, tax, charge or impost (however described) and any advance instalment and associated amount which in the opinion of the Trustee has been made in favour of or received in respect of the Member or Beneficiary.

A Member or Beneficiary may, with the prior approval of the Trustee and the Corporation, reduce the debit balance in the notional account maintained in respect of the Member or Beneficiary under this clause 11.16(c) by making additional contributions or rolling over amounts to the Scheme or by requesting deductions from another account maintained in the Scheme in respect of the Member or Beneficiary for that purpose.

- (d) The Trustee:
 - (i) may make any payment on account of surcharge, tax, charge or impost or advance instalment or any associated amount which has been or which in the opinion of the Trustee may be assessed in respect of a Member or Beneficiary, or in connection with a contribution made or deemed to be made in respect of a Member or Beneficiary, at such time, in such manner, by such arrangement and otherwise that may be required by the applicable legislation;
 - (ii) shall have power to remit the amount deducted or such other amount as the Trustee thinks fit to the Commissioner of Taxation or other relevant authority (as the case may be) or otherwise in accordance with the requirements of the applicable legislation; and

 - (iv) the same process is to be adopted in attributing amounts to Members in relation to their MySuper Interest, except to the extent that a different process is necessary to allow for fee subsidisation by Employers;

 - (x) no Member who holds a MySuper Interest is precluded from holding a beneficial interest of another class in the Scheme because of that fact; and

- (c) Any alteration, addition or repeal:
 - (i) so made shall come into force on the execution of such deed or the making of such resolution and shall take effect as from that date or as from such earlier or later date as may be specified for that purpose in such deed or resolution; and

- (d) The Trustee shall in accordance with the relevant requirements of Superannuation Law notify each Member of such alteration, addition or repeal and all Members shall be bound thereby. No accidental failure or omission to give any such notification shall prejudice or invalidate the relevant alteration, addition or repeal.
- (e) No alteration, addition or repeal as aforesaid shall be made unless:
 - (i) if the alteration, addition or repeal would have the effect of permitting a natural person or natural persons to be appointed as trustee or trustees of the Scheme, after the alteration, addition or repeal became effective the Scheme would have as its sole or primary purpose the provision of old-age pensions within the meaning of paragraph 51(xxiii) of the constitution of the Commonwealth of Australia; and

13. Associated Employers

13.1 Admission of Employers

The Trustee with the approval of the Corporation may enter into a Deed of Participation in the form or to the effect of the form set out in Schedule 2 with any person which the Corporation and the Trustee deem is desirable and convenient to include in the Scheme as an Employer. Such Employees of an Employer as become eligible as provided in this Deed or in the said Deed of Participation shall apply for membership of the Scheme.

13.2 Release of Employer

- (a) The Trustee shall at the request of an Employer or in respect of an Employer which is not related to the Corporation at the request of the Corporation and with effect on a date determined by the Corporation (hereinafter called the **Release Date**) release the Employer and the Members employed by such Employer as at the Release Date (other than a Member who is then or immediately thereafter becomes employed by another Employer) upon such terms and conditions as the Trustee considers to be fair and equitable after having obtained the advice of the Actuary, **PROVIDED THAT** the Trustee may but shall not be obliged to comply with a request made by an Employer or by the Corporation pursuant to this paragraph (a) where the request is made in circumstances such that, if this Deed were to oblige the Trustee to comply, the Scheme would be in breach of or would fail to comply with a relevant requirement of Superannuation Law.
- (b) The Actuary shall certify what proportion of the Fund including any arrears of contributions is properly attributable to Members who were in the employ of the

Employer at the Release Date having regard to tax and other liabilities and the costs associated with the release of the Employer from the Fund; and

- (c) The Trustee shall apply that proportion of the Fund to provide benefits for and in respect of the released Members in such manner and form (whether cash, insurance policies, annuities or otherwise howsoever), by way of such arrangements (whether within or without the Fund) and subject to such conditions as the Trustee thinks fit. Benefits so provided shall be in lieu of and in full satisfaction of benefits which would or might have been or become payable from the Fund to or in respect of the released Members.

13.3 Winding up of an Employer

- (a) If:
- (i) where an Employer is or includes a body corporate, a resolution is passed or an order is made for the winding up thereof or a scheme of arrangement providing for the dissolution thereof is approved by a court;
 - (ii) where an Employer is or includes a partnership, that partnership is dissolved;
 - (iii) where an Employer is or includes a natural person or natural persons, that person becomes or any of those persons become bankrupt; or
 - (iv) an Employer ceases to carry on business,

then, without prejudice to any notice of termination or suspension of contributions which has already taken effect in respect of the Employer under sub-clause 13.4, the Trustee shall be deemed to have received on the date the relevant event, specified in paragraph (a) hereof, occurs (hereinafter called the **Relevant Date**) a notice from the Employer pursuant to sub-clause 13.4 that it had decided to indefinitely suspend all of its contributions to the Fund with effect on the Relevant Date.

- (b) If in the opinion of the Trustee:
- (i) an event specified in paragraph (a) hereof occurs for the purpose of amalgamation or reconstruction of an Employer or otherwise for the purpose of the replacement of an Employer by a successor; or
 - (ii) an Employer ceases to carry on business by reason of the disposal of its business undertaking to another person,

the Trustee with the approval of the Corporation may enter into an agreement with the person whom the Trustee considers succeeds the Employer for that successor to take the place of the Employer under this Deed and the Rules. Such an agreement shall be in a form acceptable to the Trustee and shall be binding on the Trustee and all Employers, Members and other interested persons under the Scheme.

- (c) Without limiting the provisions of sub-clause 13.4, if no such agreement is entered into within 90 days after the Relevant Date (or within such other period as the Trustee thinks fit), the Trustee shall be deemed to have received on the last day of such period a notice from the Employer pursuant to sub-clause 13.4 that it had decided to terminate all of its contributions to the Fund with effect on that last day.

13.4 Termination reduction or suspension of Employer Contributions

- (a) Notwithstanding anything expressed or implied to the contrary in this Deed or the Rules, an Employer may with the consent of the person or persons concerned or in any other case after consultation with the Australian Council of Trade Unions by written notice to the Trustee and either generally or in respect of any person or persons named or described, or falling within a group of persons named or described, in such notice:
- (i) terminate its obligations to contribute in accordance with the Rules; or
 - (ii) reduce or suspend its contributions to the extent and either indefinitely or for the period specified in that notice,
- and any such notice shall take effect on the date (hereinafter called the **Notice Date**) which is the later of the date that notice is received by the Trustee and the date specified therein for such purpose, but nothing herein shall affect the Employer's liability in respect of contributions due in respect of a period prior to the Notice Date.
- (b) On and after the Notice Date:
- (i) no Employee shall be admitted as a Member during any period when an Employer's contributions are terminated or suspended pursuant to this sub-clause 13.4;
 - (ii) the Trustee may subject to such terms as the Trustee thinks fit permit a Member in respect of whom an Employer's contributions are being reduced to reduce the Member's future contributions to an extent which the Trustee considers to be consistent with the reduction of the Employer's contributions;
 - (iii) subject to sub-clause 11.1, the Trustee may adjust any benefit which is or becomes or may become payable to or in respect of any person named or described in such notice and any other person whom the Trustee considers is affected by such notice to such extent and in such manner as the Trustee considers fair and equitable after having obtained the advice of the Actuary and the adjusted benefits shall be substituted for the benefits otherwise payable or to be provided and the provisions of this Deed shall apply mutatis mutandis to such adjusted benefits;
 - (iv) unless otherwise determined by the Trustee, no benefit shall be paid from the Fund (including a benefit which became payable before the Notice Date) until the Trustee has determined whether or not any such adjustment is necessary and, if so, has effected such adjustment to the Trustee's satisfaction; and
 - (v) the Trustee shall as soon as possible notify a person affected by any such adjustment but failure so to do shall not affect the validity of any such adjustment.
- (c) Subject to this Deed and to such terms and conditions as the Trustee considers appropriate, an Employer may by a further written notice given to the Trustee revoke or vary in whole or in part any such notice previously given by such Employer and, in the event of such a revocation or variation, the Trustee may adjust the rights,

obligations and benefits of and in respect of the persons affected by such revocation or variation to such extent and in such manner as the Trustee considers appropriate and equitable after having obtained the advice of the Actuary.

- (d) If an Employer fails to contribute an amount to the Fund as and when required under this Deed or the Rules, the Trustee may determine that while that amount remains unpaid no benefit shall be paid from the Fund to or in respect of any person whom the Trustee considers to be affected by such failure and, if any amount to be contributed by an Employer under this Deed remains unpaid for more than sixty days after it became payable (or such lesser period as the Trustee thinks fit either generally or in any particular case), then the provisions of paragraph (b) hereof shall apply as if:
- (i) the Employer had decided to suspend all of its contributions to the Fund with effect on the last day of such period; and
 - (ii) the Trustee had on that day received written notice from the Employer of that intention.
- (e) All decisions of the Trustee in relation to the application or effect of this sub-clause or any such notice either generally or in respect of any person or any benefit and the manner and extent of any adjustment of or in relation to a benefit shall be final and binding on all interested persons. Without limiting the generality of the foregoing, in adjusting any benefit the Trustee may determine that such benefit shall be replaced in whole or in part by a benefit payable in another manner and form.
- (f) For the purposes of paragraph (a) hereof, a consultation with the Australian Council of Trade Unions shall be deemed to have occurred:
- (i) if at least seven clear days notice of the proposed alteration, addition or repeal has been given to the Secretary of the Australian Council of Trade Unions; and
 - (ii) if the Secretary of the Australian Council of Trade Unions requests a meeting to discuss the proposed alteration, addition or repeal within the seven clear days period referred to in sub-paragraph (i) hereof and that meeting is held within thirty clear days of the giving of the notice referred to in sub-paragraph (i) hereof or the thirty clear day period expires without a meeting being convened; or
 - (iii) the Secretary of the Australian Council of Trade Unions certifies that a consultation has occurred or that a consultation is not necessary.

14. Return of surplus

14.1 Return of surplus - general provision

- (a) Whenever requested by the Corporation, the Actuary shall investigate the Fund and shall report to the Corporation and to the Trustee as to the Total Fund Value and Total Accrued Benefit Value as at the date on which such investigation is made (the **Valuation Date**).

- (b) The Trustee shall take all reasonable steps necessary to facilitate such investigation and shall provide to the Actuary such information as the Actuary may require in relation to such investigation.
- (c) If the Actuary's report reveals that the Total Fund Value exceeds the Total Accrued Benefit Value as at the Valuation Date and within 45 days after such report is given to the Corporation, a written request for payment from the Corporation is given to the Trustee, the Trustee shall, as soon as practicable but in no event later than 90 days, cause such part of the excess of the Total Fund Value over the Total Accrued Benefit Value which is attributable in the opinion of the Actuary to Employer Contributions to the Fund as shall be requested by the Corporation to be paid out of the Fund to the Corporation or as the Corporation may by notice in writing direct.
- (d) The Trustee shall comply with any request given to the Trustee under paragraph (c), unless prior to the payment out of the Fund as requested by the Corporation, the Actuary certifies that due to a material change in circumstances, either:
 - (i) the Total Fund Value is less than the Total Accrued Benefit Value; or
 - (ii) the proposed payment pursuant to the request by the Corporation would exceed the part of the Total Fund Value over the Total Accrued Benefit Value which is attributable in the opinion of the Actuary to Employer contributions to the Fund.

In the case referred to in (i) above, the Trustee shall be under no obligation to make the payment to the Corporation and in the case referred to in (ii) above, the Trustee shall reduce the payment to the part referred to in (ii) above.
- (e) In the exercise of any power under this sub-clause, the Trustee and the Corporation shall comply with any requirements imposed by Superannuation Law and this sub-clause shall be read and construed subject to the relevant provisions of Superannuation Law which, to the extent required by Superannuation Law and as necessary to give full effect to this sub-clause, shall be taken to be incorporated into this sub-clause.

14.2 Return of surplus where SIS applies

- (a) During any period in which SIS applies in relation to a payment to an Employer or a related body corporate of an Employer from the Fund, the Corporation may by notice in writing to the Trustee, in addition to any other power the Corporation may have under the Deed, request the Trustee to pay an amount out of the Fund to the Corporation or to an Employer nominated by the Corporation. The request may be for a specific amount or for an amount calculated in accordance with a formula set out in the notice. The Trustee may not pay out of the Fund pursuant to this sub-clause 14.2 an amount in excess of the amount by which the Total Fund Value exceeds the Total Accrued Benefit Value. Where the notice requests a payment of an excess amount, the amount in the notice shall be deemed to be an amount equal to the excess of the Total Fund Value over the Total Accrued Benefit Value.

- (b) Whenever required by the Corporation or the Trustee, the Actuary shall investigate the Fund and shall as soon as practicable report in writing to the Corporation and the Trustee as to the Total Fund Value and the Total Accrued Benefit Value as at the date at which such investigation is made (the *effective date*). The Trustee shall make all reasonable efforts to facilitate such an investigation and shall provide to the Actuary such information as the Actuary may require to complete such investigation. The Actuary shall also certify in writing to the Trustee his or her opinion as to whether or not the Fund would remain in a satisfactory financial position if the amount requested by the Corporation were paid out of the Fund.
- (c) If the report of the Actuary reveals that the Total Fund Value exceeds the Total Accrued Benefit Value as at the effective date and the Actuary certifies in the manner specified in paragraph (b) of this sub-clause and the Trustee is satisfied that the payment of the amount is reasonable having regard to the interests of the Corporation and any relevant Employer and the Members and Beneficiaries of the Fund and such other matters as the Trustee considers relevant, the Trustee may, by resolution, declare its intention to make a payment of or payments totalling the amount out of the Fund to the Corporation or the Employer nominated by the Corporation pursuant to paragraph (a) of this sub-clause and the Trustee will then give notice in writing to all the Members:
- (i) stating that the Trustee intends so to pay such amount;
 - (ii) stating that the Actuary has given a certificate in the terms required by SIS; and
 - (iii) setting out particulars of the changes (if any) that are proposed to be made to the Deed if the amount were paid out of the Fund.
- (d) Within seven days after the expiration of three months after the notice referred to in paragraph (c) was given to the Members the Trustee after considering the advice of the Actuary as to the financial position of the Fund at that time shall consider a resolution determining to make the payment or payments referred to in paragraph (c) of this sub-clause out of the Fund.
- (e) If the resolution referred to in paragraph (d) of this sub-clause is passed then the Trustee shall as soon as practicable make the payment or payments out of the Fund as specified in that resolution.

15. Termination of the Scheme

15.1 Termination

If:

- (a) it shall appear to the Trustee that the Scheme is insolvent or if the Trustee shall be advised by the Actuary to that effect;

- (b) the Corporation shall give thirty day's notice in writing to the Trustee that it is of the opinion that the Scheme has failed to fulfil its purpose or that it is inconvenient or impracticable for the Scheme to continue; or
- (c) the Corporation shall at any time fail to pay to the Trustee any amount for which it is liable within 42 days (or such further period as the Trustee may think reasonable) after the date on which the Trustee may require such amount to be paid or shall fail to observe and perform any other of its obligations under this Deed,

then the Trustee shall determine a date within a reasonable period (hereinafter called the **Termination Date**) on which the Scheme will terminate, **PROVIDED THAT** the Trustee may but shall not be obliged to determine such a date upon receipt of a notice from the Corporation given under paragraph (b) of this sub-clause where the notice is given in circumstances such that, if this Deed were to oblige the Trustee to make such a determination, the Scheme would be in breach of or would fail to comply with a relevant requirement of Superannuation Law.

15.2 Procedures on termination

As from the Termination Date:

- (a) the Trustee shall promptly give notice in writing to the Employers and the Members that the Scheme shall be wound up;
- (b) no further persons shall be admitted as Members;
- (c) no further contributions shall be made by Members or the Employers other than arrears of contributions due up to the Termination Date;
- (d) any arrears of contributions of the Members and the Employers shall be called in immediately;
- (e) after making such allowance as the Trustee considers appropriate for the costs and expenses incurred or likely to be incurred in connection with the Fund, the Trustee shall after obtaining the advice of the Actuary make such provisions from the assets of the Fund as the Trustee considers appropriate to provide benefits not exceeding:
 - (i) in the case of a Member, the greater of Member's Accrued Retirement Benefit and the Member's MRB; and
 - (ii) in the case of a Beneficiary, the benefit to which he or she was entitled at the Termination Date,in lieu of the benefits which are payable and which would or might have been or become payable under the Scheme but for the operation of this Clause 15;
- (f) unless the Trustee with the approval of the Corporation otherwise determines the following priority for the provision of benefits shall apply:
 - (i) benefits which have become payable in respect of Members who have ceased Service prior to the Termination Date;
 - (ii) benefits which are required to be preserved in respect of Members who have ceased Service prior to the Termination Date;

- (iii) benefits which are to become payable to or in respect of Members in the Service on the Termination Date; and
- (g) when there are no Members or Beneficiaries and in the opinion of the Trustee all benefits which could become payable from the Fund have been paid, then any moneys and other assets remaining in the Fund after payment of any expenses incurred by the Fund shall be realised and the proceeds distributed to the Employers in such shares as the Corporation shall direct, **PROVIDED THAT** in the exercise of any power under this paragraph the Trustee and the Corporation shall comply with any requirements imposed by Superannuation Law and this paragraph shall be read and construed subject to the relevant provisions of Superannuation Law which, to the extent required by Superannuation Law and as necessary to give full effect to this paragraph, shall be taken to be incorporated into this paragraph.

15.3 Form of benefits

The benefits to be provided pursuant to paragraph 15.2(f) shall be:

- (i) subject to sub-clause 11.1, of such amount and provided in such form (whether cash, insurance policies, annuities or otherwise howsoever), by way of such arrangements (whether within or without the Scheme) and subject to such conditions as the Trustee thinks fit; and
- (ii) in lieu of and in full satisfaction of the benefits which would or might have been or become payable from the Fund but for the operation of this Clause.

15.4 Trustee's decision final

All decisions of the Trustee regarding the application and operation of this Clause 15 generally and, in particular, as to whether or not a benefit is to be provided in respect of a person hereunder and, if so, the amount, form and basis of provision thereof shall be final and binding on all interested persons.

16. Government Scheme

- (a) If during the continuance of the Scheme any Federal or State Government scheme for the provision of superannuation, retiring allowances, pensions or any other benefit similar to a benefit provided by the Scheme for, inter alia, Members of the Scheme and/or their Dependants be introduced or improved and if any Employer or a Member is compelled or elects to pay either directly or indirectly any portion of the contributions, premiums or other costs of such introduction or improvement the Corporation if it so desires may give written notice to the Trustee requiring that from a specified date the benefits provided by the Scheme be reduced for all or any of such Members and/or their Dependants to an extent determined by the Corporation with the approval of the Trustee not exceeding in value the value of the benefits provided for such Members and/or their Dependants under the Government scheme pursuant to such introduction or improvement **PROVIDED THAT** if the benefits payable under the Scheme are of a different form or nature to the benefits payable under the

Government scheme the extent to which the benefits payable under the Scheme may be reduced shall be determined by the Corporation with the approval of the Trustee after obtaining the advice of the Actuary, **PROVIDED FURTHER THAT** no such reduction shall be made:

- (i) without the consent in writing of the Regulator unless the Trustee is satisfied that the proposed reduction will not cause the Scheme to fail to comply with any relevant requirement of Superannuation Law ; or
- (ii) without the consent in writing of the Minister of Finance unless the Trustee and the Corporation are satisfied that the proposed reduction will not cause the Scheme to fail to comply with any relevant requirement of the Prescribed Requirements.

Notwithstanding anything contained in this paragraph, the Trustee may but shall not be obliged to comply with a requirement of the Corporation notified to it pursuant to this paragraph (a) where the requirement is notified to the Trustee in circumstances such that, if this Deed were to oblige the Trustee to comply, the Scheme would be in breach of or would fail to comply with a relevant requirement of Superannuation Law. The Trustee shall advise the affected Members of the reduction in their benefits.

- (b) In the event of a reduction in the benefits provided by the Scheme, pursuant to paragraph (a), any Members obliged to contribute to such Government scheme shall be relieved of their obligation to contribute under the Rules to an extent (if any) determined by the Corporation with the approval of the Trustee, after obtaining the advice of the Actuary, but such relief shall not exceed the extent of the contributions or additional contributions which they are compelled to pay under the new or improved Government scheme in respect of which benefits have been reduced. The Trustee shall advise the Members of the extent of the relief granted to them under this paragraph (b).
- (c) Any reduction in the benefits provided by the Scheme pursuant to paragraph (a) and any reduction in the contributions payable by the Members pursuant to paragraph (b) shall be evidenced by a deed amending this Deed. Such deed shall be executed or made by the Corporation and the Trustee and any amendment made thereby shall notwithstanding anything contained in Clause 12 be valid and binding on the Corporation, the Associated Employers, the Trustee and the Members.

17. Miscellaneous

- (a) Nothing in this Deed shall be deemed to affect prejudice or alter in any way the powers of an Employer with regard to the dismissal or remuneration of or any dealings whatsoever with any of its Employees. Any benefits to which a Member or other person may be or may claim to be entitled under this Deed shall not be used or alleged or claimed as damages or as grounds for increasing damages in any action or claim by the Member or by anyone claiming through or under the Member against an Employer in respect of any such dismissal or dealing or otherwise.

- (b) Except to the extent expressly provided in this Deed or the Rules, when acting in its capacity as an Employer under this Deed or the Rules an Employer is in no sense under a fiduciary or other duty and has in relation to the exercise, non-exercise or partial exercise of any power vested in it an absolute and uncontrolled discretion and is not required to give to any person any reason for or explanation of its exercise, non-exercise or partial exercise of such a power.
- (c) If any doubt or dispute arises as to the date on which a person entered or left the employ of an Employer, a certificate by the Employer on the matter shall be final and binding on all interested persons.

17.2 Appointment of receiver
