

APSS - Register of Relevant Duties and Relevant Interests

APRA's Prudential Standard SPS 521 (Conflicts of Interest) defines a 'Relevant Duty' and a 'Relevant Interest' as:

Relevant Duty – A relevant duty refers to any duty owed by an RSE licensee (in this case, PostSuper Pty Ltd as Trustee of the Australia Post Superannuation Scheme (APSS)), or a Responsible Person of the RSE licensee, to beneficiaries or to any other person that the RSE licensee has determined to be relevant because it might reasonably be considered to have the potential to have a significant impact on the capacity of the RSE licensee, an associate of the RSE licensee or a responsible person with the relevant duty, to act in a manner that is consistent with the best interests of beneficiaries of the APSS.

Relevant Interest – A relevant interest of the RSE licensee, an associate of the RSE licensee or a Responsible Person of the RSE licensee refers to any interest, gift, emolument or benefit, whether pecuniary or non-pecuniary, directly or indirectly held by the RSE licensee, the associate or the Responsible Person that the RSE licensee has determined to be relevant because it might reasonably be considered to have the potential to have a significant impact on the capacity of the RSE licensee, an associate of the RSE licensee or a responsible person holding the relevant interest, to act in a manner that is consistent with the best interests of beneficiaries of the APSS. The threshold for reporting gifts, emoluments or benefits (including entertainment) is \$100 per item per person.

The tables on the following pages show relevant duties and interests held by the Responsible Persons of the RSE licensee.

NOTE:

The following notes reference the top row of the tables on pages 2 to 5:

- ¹ 'Position' means the position involving duties to beneficiaries of the APSS.
- ² 'Other Positions' are any positions involving duties to other persons or organisations determined to be relevant.
- ³ 'Shareholdings or Associations' refers to shareholdings in (or associations with) relevant service providers to the APSS and major shareholdings (shares and securities that exceed 10% of the total amount on issue, direct or indirect).
- ⁴ 'APSS Member' refers to whether the Responsible Person is currently a member of the APSS and/or associated funds.
- ⁵ 'Gifts, hospitality, etc.' only applies to gifts, hospitality, payments and other material benefits provided by persons in connection with the APSS, its service providers and associates. Factors taken into account in determining whether the gift, hospitality, payment or other benefit is required to be disclosed include: (a) whether it was a one-off occurrence or is ongoing; (b) the extent to which the role of the person giving the benefit influences the duties owed by the RSE licensee to beneficiaries; and (c) the dollar value of the interest (an indicative threshold is \$100 per person if accepted or \$250 if declined*).
